Class : Lifting & Handling Plant
Surveyor : Mr C White
Date : 4th January 2018
Location : As above

Dear Sirs

Our Engineer Surveyor attended as above in order to carry out the examination detailed.

Observations and comments made in our reports are for your own consideration as to the extent of repair or other maintenance work which you intend to undertake. The company has no liability for instructions to undertake work on any item other than those which require action to prevent imminent danger.

This report contains scheduled items which were not available for examination for the particular reason noted against each item. You should be aware that the equipment concerned should not be used without a current Statutory Examination Report. In the event of the equipment being required for use, please contact our Surveyor who will make the necessary arrangements to carry out the Statutory examination.

In accordance with our accreditation procedures, you may reproduce the attached report in whole, or in part for use by yourselves or a third party. The examination methods and procedures used to comply with the detailed particular Statutory Regulations, which are applicable to the Plant, are stated in the inspection methods and procedures as documented in Section 7.1 of the Company Quality Assurance Policy (Manual).

We trust that you continue to find our services to your satisfaction.

Yours faithfully

HSB Customer Solutions Centre.
