Dementia - Challenging behaviour

Identified hazard:

This assessment covers issues surrounding residents who are physically or verbally aggressive or display inappropriate behaviour.

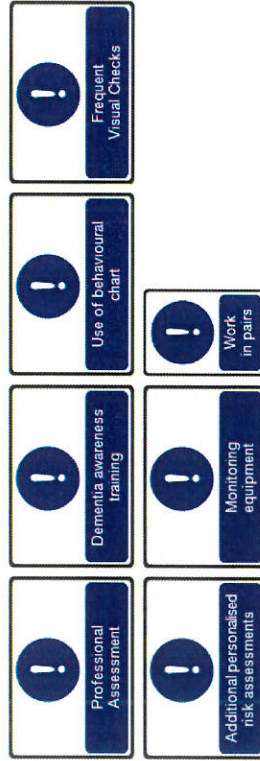

Who is at risk?

Resident and staff, visitors and contractors

How is the risk controlled?

The family will always be consulted about dementia-related issues.
Higher expectations and an increasing number of residents developing dementia means that the risks are increasing.

The calculated risk factor for this task/operation is **15** (Probability: 5 x Severity: 3)

This is classed as a **MEDIUM** risk
